A New Beginning - Please help

The name 'Aiséirí' means resurrection or new beginnings and our work is dedicated to bringing about change in people's lives, in transforming their dependence on alcohol, drugs and gambling and helping them move away from the destructive impact it has had on their families and communities.

Aiséirí is one of Ireland's longest established addiction treatment services; our four centres of excellence combine experiences, expertise and a comprehensive understanding of the complexity of addiction. With a high success rate for lifetime recovery, Aiséirí has changed thousands of lives, not just those with the addiction but the families and loved ones that also suffer because of addiction.

Aiséirí's four centres are places of new beginnings; Aiséirí Cahir, Aiséirí Roxborough, Ceim Eile Waterford and Aislinn Kilkenny. As a registered charity we provide a whole range of treatment and recovery services, including the only residential detox service in Ireland for adolscents aged between 15 and 21 – a truly unique and vital service.

Every day we change lives, not just of those who suffer with addiction but the lives of their loved ones too;

"I can never truly express the appreciation and never ending gratitude that this house has offered my first born. From this working home you have given care, understanding, education, guidance, discipline, love, effort and good will to my son.....he could have travelled the world but no geography could have changed his thinking or situation or thought, yet in the little town of Kilkenny 'amazing minds, souls, spirits and bodies' are breathing new life into the young vulnerable children of this and the next generation. It's been an amazing journey and I need to thank you all.'
